Dear Sponsor,

Reading Country Club truly values your participation in our Sponsored Golf Days. Your engagement greatly enhances the overall experience, elevating your brand while contributing to a fun and engaging atmosphere. Players appreciate your support, which fosters a sense of camaraderie and accomplishment.

However, we have noticed some recurring issues regarding sponsor setups, mainly due to a lack of awareness. To ensure a smooth experience, we kindly ask that you review and follow these guidelines:

Branding Restrictions: Your company's branding cannot be attached or applied to any existing advertising located at the tee box stations.

Banner Placement: Be cautious when setting up banners near tee boxes; sponsors will be liable for any damage caused to irrigation pipes or sprinklers.

Setup and Cleanup: Sponsors are responsible for their own setup and cleanup.

Area Markings: Please do not remove any ropes or pegs that mark off areas, as they are there to prevent vehicles from entering or parking in restricted zones.

Vehicle Restrictions: Vehicles are not allowed to approach or park near tee boxes and greens.

Fairway Access: When traveling to

your assigned hole, avoid driving on the fairway unless necessary.

Navigational Assistance: If you're unsure how to reach your designated hole, please check with the pro shop before the sponsor day.

Handouts Policy: Sponsor handouts are welcome, but selling food, drinks, or personal raffles is not allowed.

Ice Availability: Ice can be obtained from the clubhouse at R30 per 3kg bag. If you need ice for your sponsored hole, please email the Golf Director at least one week before the event.

Rental Options: Table and chair rentals are available for R75.00 (includes one table and two chairs). To request these for your sponsored hole, please email the Golf Director at least one week in advance.

Please note that there is no shuttle service for female sponsors to access restroom facilities, so please plan accordingly when sponsoring a hole.

If you need to reach your assigned hole by car, golf cart, or similar vehicle, that is allowed. However, for larger vehicles or trucks, please confirm access with the Golf Director to ensure it is feasible.

Wishing you a successful and enjoyable event!

Best regards,

Keegan v Jaarsveld

Golf Director
